**Approval / Agenda**

Motion by Fred and supported by Coleen.

**Approval / Minutes as mailed.**

Motion by Fred and supported by Marv

**Approval / Treasurers Report:**

Motion by Marv and supported by Fred

**Bookstore Report:**

Bill was not present, but according to statements \$335.13 is in the account

**Maintenance Report:**

**160 has had some battery issues. (Probably from not being used) Marv is keeping an eye on it.**

**67Q had some intermittent flap indicator issues, but has seemed to resolved itself. Marv has seat rail tracks ready to install when weather permits.**

**Old Business:**

Student pilot update, Hunter is very close to a checkride, but weather was not cooperating for his Cross country, or much other flying in January. Brian Czarnecki was able to get back as PIC and get signed off for another 90 day endorsement by Marv. Way to get back Brian!

**New Business:**

Steve Krause was present at the meeting as a guest, who is looking to join the club. He is retired military, and has some flight training experience at Harry Brown (HYX) in Saginaw, and was introduced by long time member Jim Clark.

**Other Business:**

Pete Mapes had a 50 knot tailwind from Wilmington, OH to make the tail end of the meeting.

**Adjournment:** Meeting adjourned at 6:17 PM

**Nxt Meeting: March 14th at the Airport**
