

# Iosco Flying Club

Minutes

Apr '26

**Call to order:** The meeting was called to order by Ethan Buchanan at 6:00 PM

**Roll call - Present:**

Ethan Buchanan, Fred Hupert, Marv Poland, Darryl Powell, Jeremy Coiner, Ted Wasilewski, Coleen Gaydash, and Guests Don & Mike

**Approval / Agenda**

Motion by Fred, supported by Ted.

**Approval / Minutes as mailed.**

Motion by Jeremy, supported by Darryl.

**Approval / Treasurer's Report:**

Motion by Marv, supported by Fred.

**Bookstore Report:**

Bill made a \$13 deposit, bringing the account to \$482.23

**Maintenance Report:**

The annual is done on 160. The left side muffler had to be replaced. The beacon is still intermittently inop. A motion was made to replace it with an LED one for roughly \$1100 and was passed. Nothing for 67Q.

**Old Business:**

Fly-in is still being discussed as Jay got Pentagon approval for a military helicopter. Jay is looking into state grants available for airport upgrades, such as fuel farm repair, beacon light options, and possibly a wind sock replacement.

**New Business:**

The #1 radio in 160 is not transmitting clear, so for now use #2 for coms & still use #1 for monitoring. We are looking into options for repair or replacement.

Motion to move the insurance fund to a CD was made by Fred, supported by Ethan, and was passed.

**Other Business:**

Oscoda Aviation Celebration on Aug. 22nd from 9-5

**Adjournment:** Meeting adjourned at 6:37PM

**Next Meeting:** May 14th @ The Airport
