Bookstore Report: New balance of 271.13.

Maintenance Report: There was no recent maintenance to report.

Old Business:

Update on Student Pilot: Hunter Miller is moving along with training and is scheduled to fly three days next week if the weather holds.

2023 Fly-in: The Coast Guard pulled out of the event, so no J Hawk Helicopter or Rescue Boat due to short staff and maintenance requirements. FlightCare will be attending as well as the Kalitta Apprenticeship Program and the MSP K-9.

Aircraft Scheduling: We will continue with the old scheduling program after all since it has gained new life. The other program we selected will be held in standby in case things change in the future.

New Business:

Gaydash had concerns about booths being set up at the fly-in. It's a community event and a conflict is not foreseen at this time.
