67Q is getting some maintenance this week, as Marv reminds us not to add oil if it is at 5qts.

Old Business:

The Fly-in was a success. Thank you to all that helped make it! Looking into upgrade options for equipment. A motion was made & passed to buy our own set of warming trays, as we have borrowed them every year from Sean Ahearne. The Young Eagles flew 29 kids. Hopefully sparked a huge interest in aviation. There was a discussion on possible airport gatherings with food tuck options.

New Business:

Looking into water line options to the maintenance building.

The Garmin subscription is due, the Bookstore has that covered for \$449 for the year.
